Ref: Memo No. 8 Dy 13th September/10 from the Mysore Geological Deptt., submitting for orders of the Dewan of Mysore an application from Mr. V.S. Sambasiva Iyer, Offg. 3rd Slide Geologist.

—"—

As stated in his application Mr. V.S. Sambasiva Iyer was serving in the Madras Educational Deptt from 8th August/91 to 10th April/95. In the year 1894 he appeared for and stood first in the competitive examination held by the Mysore Geological Deptt. Thereupon he, having resigned his appointment under the Madras

Educational Deptt on 10th April 195. Joined the Mysore Geological Deptt on 13th April 195. The British service thus rendered by him amounts to 3. 8. 2 y. m. d.

Now the Secretary, Geological Deptt, recommends that the above said British Service may be allowed to be counted as service for the Mysore Govt under the following circumstances:-

"Mr Sambasiva Iyer is considerably older than any of the other Asst Geologists, who entered the Mysore Service along with him and consequently he cannot look forward to so long a period of service as they.

Further, Mr Sambasiva

Iyers' British Service was spent in ~~and~~ work likely to increase his useful ~~use~~ in his present position and I have no doubt that his efficiency has been increased thereby."

In the Mysore Service Regns provision has been made in Part VIII (Sections 409-429) regarding the service of officers lent or transferred from the British Service to the Mysore State. But Mr Sambasiva Iyer is an officer who resigned his British Service to join the Mysore Service.

In the case of one Ramiah, Forest Surveyor, Govt were pleased to sanction as a special case that 3 years out of the British Service (which ants to M. M. S. 11-0-20), he counted towards pension. His official had also resigned his British

appointment as 14th June/89
and joined the Insane
Service, next day.

Submitted for orders.

Mysore
Geological Department

To The Dewan of Mysore
for orders

I enclose herewith for your favourable consideration and orders an application from Mr. V. S. Sambasiva Iyer, officiating 3rd State Geologist, requesting that Government may be pleased to allow the period of his British Service — viz. 3 years, 8 months and 2 days — to count as service for the Mysore Government.

2. Mr. Sambasiva Iyer is considerably older than any of the other Assistant Geologists who entered the Mysore service along with him and consequently he cannot look forward to so long a period of service as they.

3.

3½ Further, Mr. Sambasiva Iyer's British Service was spent in — work likely to increase his usefulness in his present position and I have no doubt that his efficiency has been increased thereby.

4. Under these circumstances, I strongly support Mr. — Sambasiva Iyer's present — application and I trust that you will see your way to give the same your favorable consideration.

(Sd) W. F. Smeeth.
Offg Secretary to Govt.
Geological Deptt.

Dated Bangalore
19th September 1900

14669

This application is — apparently inadmissible under the Mysore Service Regulations. It is also premature in the — present case to decide a — question affecting Mr. Samba. - Siva Iyer's future pension and I am unwilling to pass orders.

Vide

Vide article 476, Mysore Service
Regulations. The offg Secretary
to Government, Geological
Department is requested to be
so good as to inform Mr.
Saubasiva Iyer accordingly.

(Sd) J. R. A. Thumboo Chetty
offg Dewan of Mysore

Mysore
6 October 1900

To, 8

The Secretary to the Government Gellpore
Geological Department, Bangalore

Sir,

I joined service in the Madras Educational Department on the 8th of August 1891 and having stood first in the Competative Examination held in December 1894 by the Mysore Geological Department I resigned my British Service on the 10th of April 1895 to take up the Mysore Service which I did on the 13th idem.

While in the British Service, I was engaged in teaching Surveying and Chemistry to the best satisfaction of the Principal, Saidapet College of Agriculture and of Dr W.H. Wilson Professor of Chemistry, Presidency College and the experience I had thus gained in the field and laboratory work – more or less akin to the initial stages of similar ~~stages~~ work in the Geological Department — induced Mr R.B. Foote and Dr J.W. Evans to send me out on independent field work even before the first year of apprentice-ship was over and the nature of the work — that I have since done, I beg to submit, is so well known to Government.

Under

Under these special circumstances of my past training and work in the Service of the British Government, I beg to request that the Government may be pleased to direct that the whole of my British Service (Viz). 3 years, 8 months and 2 days may be taken to count for service seeing that I resigned my British appointment solely to join the Mysore Geological Department, wherein the Knowledge acquired in the Madras Educational Department has stood me in good stead.

A copy of my testimonials is herewith submitted and also an abstract of work done by me since joining the Department.

I beg to remain
Sir
Your most Obedient Servant
(Sd) V. S. Sambasiva Iyer
